PRESS RELEASE

Route Accounting Corp. Celebrates Grand Opening of E-Commerce Web Site

RouteAccounting.com offers premium solutions for the route accounting industry

BEAR, DELAWARE –SEPTEMBER 21, 2009 – Route Accounting Corp., an up-and-coming online retailer, is proud to announce the grand opening of its website, RouteAccounting.com.

“We are excited about the launch of our new website,” says Nicole Gryba, Marketing Coordinator of Route Accounting Corp. “RouteAccounting.com offers a lineup of quality products that have been tested and proven in the field. The brands we feature are among the top in the industry.”

The new website, which can be found at www.RouteAccounting.com, provides a searchable database of software and equipment designed for the route accounting industry. Customers can view and compare multiple products at their leisure. The online store features a portfolio of many recognized and respected brands – such as Solid Innovation, Inc., Janam, and Datamax-O’Neil – that have merged to form premium industry solutions.

“With the current state of the economy, it is important for companies to acquire reliable resources that they can trust,” explains Gryba. “It’s our mission to ensure the products in our store are dependable and deliver value to our clients.”

About Route Accounting Corp.

Located in Delaware, Route Accounting Corp. was established in 2008 as a reseller of route accounting products and is headquartered in Bear, Delaware. The online company is focused on providing organizations with competitive solutions to manage their route accounting activities with ease and efficiency.
